

How to Update Your License Plate: A Step-by-Step Guide

This guide is meant for guests with an upcoming parking reservation. If you need to update your license plate information or update a reservation with a rental car license plate, this is the guide for you.

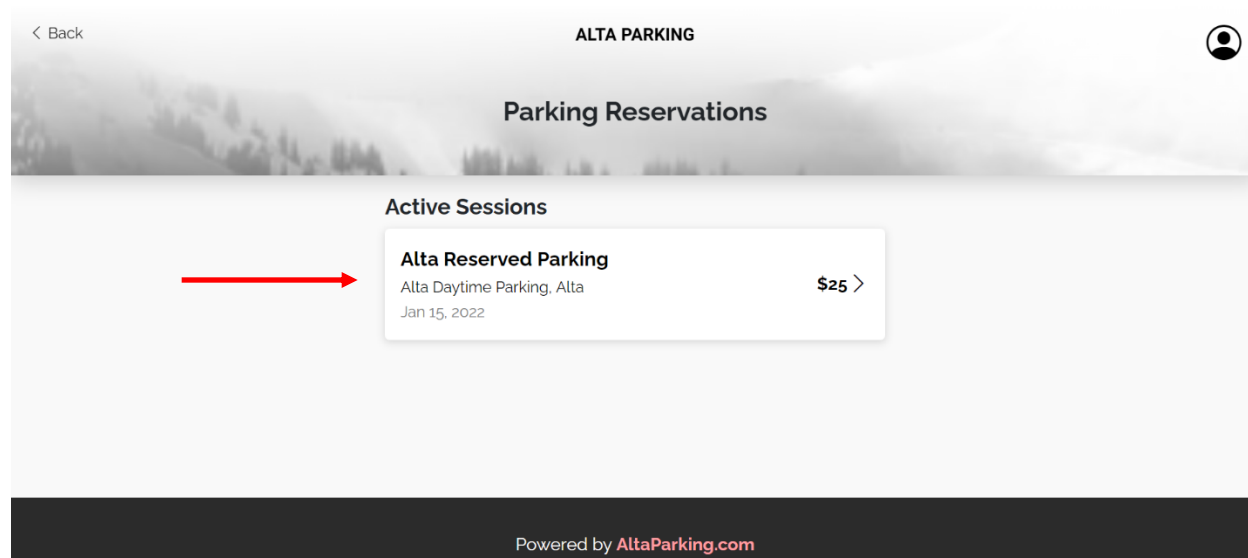

1. Login to your account at reserve.altaparking.com

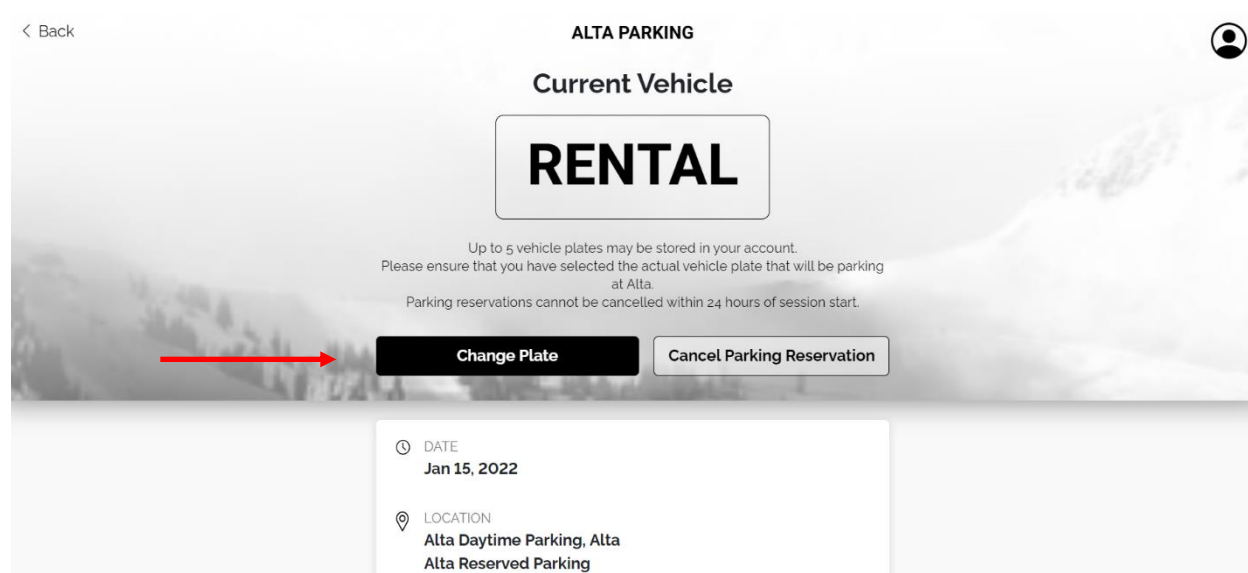

2. Select 'Manage Your Parking'

3. Select the relevant 'Active Session' requiring a license plate change

4. Select 'Change Plate'

5. Select 'Register Vehicle'

< Change Vehicle

Choose from the registered vehicles on this permit, or register additional vehicles.
(Maximum of 5)

Registered Vehicles

RENTAL
rental car ✓ Active

→ Register vehicle

6. Select 'Add New Vehicle'

< Register Vehicle

Select a vehicle to register on the permit.
Making a selection will change the active vehicle on the permit to the vehicle you choose.
You may add up to 5 vehicles in total.

Unregistered Vehicles

→ Add new vehicle

7. On the 'Add Vehicle' screen:
 - a. Update your license plate
 - b. Add a nickname for the new plate
 - c. Select 'Add Vehicle'
